*From the Hon'ble Vice-Chancellor's Desk*

Let me take this opportunity to extend everybody a warm welcome to Vidyasagar University. Vidyasagar University, a young but promising and flourishing University which was created as a state University in 1981 and whose Post-Graduate departments started functioning from the session 1986-87, originally started with 6 Post-Graduate departments. This University now conducts studies in 27 Post-Graduate departments, many of which are situated in the frontier and interdisciplinary areas of science and social science subjects. The University is proud of its highly qualified and dedicated faculty members, motivated students and research scholars and adequately equipped supporting and administrative staff in order to absorb the forces of modernization and globalization in the field of higher education.

Prof. Ranjan Chakrabarti

We look forward in welcoming you to our Distance Education Programme as a new member of our Vidyasagar University community. Join us and be proud of your identity as a student of Vidyasagar University.

**Professor Ranjan Chakrabarti**  
*Vice-Chancellor*

*From Director's Desk*

To support the students, far away from the university or unable to complete their Master Degree or Post Graduation under the Regular Mode, this Distance Learning system is the Lifeline.

India has one of the largest Distance Education System in the world, second only to China. Distance Education is a mode of delivering education and instruction to learners who are not physically present in a traditional classroom. Transaction of the curriculum is affected by means of specially prepared materials (SLM) which are delivered to the learners.

Vidyasagar University started 14 postgraduate courses under the Directorate of Distance Education, from the year 1993 and it also deserves the credit of opening laboratory based science subjects in West Bengal for the first time. In the year 2007-2008 Distance Education Council (DEC) had given institutional regulation to offer 14 programmes through distance mode which are approved by its statutory bodies. From the session 2015-2016 DEB, UGC has accorded continuation of recognition for 13 PG programmes.

Wish you all the best for entering the threshold of Higher Education.

**Professor Prakash Chandra Dhara**  
*Director (Officiating)*
